

Lucie de la Falaise , rocks

THE BEST SOUVENIRS I’VE BROUGHT HOME
are also rocks. I love collecting beautiful stones to make into doorstops for my home or gifts for people’s homes. And shells from the beach, sea glass – little treasures you find on your rambles. People make fun of me for my luggage – it’s full of stones – but I caught that from my mother, who has always been very curious, looking for beautiful colours in nature. I can’t resist a good rock.
