## Stomp-clap-hey

Kahan is sometimes lumped in with acka subgenre of Americana music referred che," to, retroactively and derisively, as "stompough clap-hey." If you've heard the Lumineers' how, "Ho Hey," from 2012, you are familiar ound with both the sound (acoustic, shouty, fans urgent) and the general aesthetic (waxed ther mustaches, bowler hats, suspenders), juite. I bilantly performed by bands with names fted (Mumford and Sons, Of Monsters and song Men) that sound as though they might tryalso be gastropubs. The genre enjoyed sing
