

Topsy

May we introduce you to Topsy?

1920s girl about town
Unexpected MP
Doughty legislator for the enjoyment of the people
Harassed wartime housewife
It's as if *Bridget Jones's Diary* had been written by Nancy Mitford.

A new omnibus edition of A P Herbert's three classic comic novels about the gloriously funny, disarming and *thrillingly* busy Topsy who charmed the readers of *Punch* in the 1920s and the 1940s.
